## University of Miami Public Transit Program

### Purpose

To establish guidelines for the distribution of Miami-Dade Metrorail and Tri-rail passes to University of Miami faculty, staff, and students in efforts to reduce parking demand and traffic congestion on the campuses and municipal roadways and encourage more affordable and less stressful commuting options.

### Policy

The University of Miami will purchase Miami-Dade Metrorail and Tri-rail monthly passes and distribute them to faculty, staff, and students upon request by payroll deduction, cash, or check in accordance with these procedures. Transit passes and associated parking hangtags may not be shared, sold, or given to others and must be used by the employee to whom it was issued in their commute to work.

2. Employee salaries will be evaluated at least annually and during transactions with the University parking and transportation system to determine if the correct public transportation rate is being applied. The rate will be adjusted as necessary.
3. Reduced fare transit passes must be used as the primary means of commuting to work and must be used on a regular basis (at least 75% of scheduled work days).
4. Employees and students are not eligible to purchase a reduced fare transit pass and a University parking pass during the same month. Employees who use public transportation but must drive to campus on occasion can purchase a limited number of daily passes in accordance with existing campus restrictions, policies, and daily rates. Employees who wish to have campus parking and a transit pass must pay full price for both.
5. Employees or students with unpaid parking fines are not eligible to participate in the reduced fare transit program until all fines are paid in full.
6. Metrorail and Tri-rail passes are good from the 1<sup>st</sup> day of the month to the last day of the month. Metrorail Easy Cards are renewed each month by the University of Miami. Once received, employees keep and use their same Easy Card each month. A new Tri-rail pass must be obtained each month. The Tri-rail pass must then be taken to a Tri-rail ticket kiosk and exchanged for an Easy Card or a monthly sticker to be applied to their existing Easy Card.
7. All Miami-Dade Transit and Tri-rail policies govern the use of the transit passes. Miami-Dade Transit and Tri-rail web sites should be visited to learn about the use of transit passes. Tri-rail users must go to the Tri-rail website and apply for and obtain an Employer Discount Program (EDP) card. They must obtain and carry the EDP card with them at all times while riding the Tri-rail system.
8. To obtain a pass at the beginning of the next month, you must complete the Metrorail / Tri-rail election form located at [http://ummcsd.med.miami.edu/SECURITY/transit\\_pass.htm](http://ummcsd.med.miami.edu/SECURITY/transit_pass.htm). Electronically fill out, print, sign and submit by fax or e-mail prior to the 15<sup>th</sup> day of each month to the Medical Campus Parking Office, Dominion Parking Garage, 1051 NW 14<sup>th</sup> Street, Suite 145, Miami, FL 33136, Office: (305) 243-6280 Fax: (305) 243-8189.
9. Transit passes for employees are only available by recurring payroll deduction. Deductions will continue each month until a signed cancellation notice described below has been submitted. Bi-weekly paid employees will be deducted from the 2<sup>nd</sup> check of each month. Monthly paid employees will be deducted from their only check of the month. Deductions that occur in any given month are for that month's transit pass.
10. To discontinue your transportation pass you must complete, print, and forward the cancellation notice found at [http://ummcsd.med.miami.edu/SECURITY/transit\\_pass.htm](http://ummcsd.med.miami.edu/SECURITY/transit_pass.htm). This cancellation notice must be received by the parking office prior to the 15<sup>th</sup> of each month in order to cancel your pass for the following month.
11. Transit passes elected prior to the 15<sup>th</sup> of the month cutoff date will be available for pickup during the last 3 working days of each month. Each department will appoint a representative to pick up the bulk passes for their department and distribute them by serial number to the individual employees. The department representative can pick up the bulk passes from the following locations:
  - 11.2. Medical - Security Office, Dominion Parking Garage, Suite 145
  - 11.3. Gables Check Distribution, Ash Building
  - 11.4. Gables One Tower, Human Resources Office
  - 11.5. RSMAS, Facilities Administration

Malfunctioning Easy cards will be replaced at no cost. The first lost Easy Card can be replaced for \$2. The second lost Easy card can be replaced for \$10, and the third and successive lost Easy cards can be replaced for \$20 each. It will take up to 48 hours or more to activate new cards. The employee will be responsible for their transit fares during this time.
14. Malfunctioning or lost Tri-rail cards may only be replaced by visiting a Tri-rail kiosk.
15. This Public Transportation Program will be monitored closely. Abuse, misuse, obtaining transit passes under false pretenses, sharing, selling, or giving passes to others, and all similar type infractions or violations of this policy will be grounds for disciplinary action up to and including possible termination or expulsion, criminal prosecution, and suspension from the University's public transit program.
16. Transit passes will be issued by serial number. Random audits will be conducted. Transit pass holders must produce their pass for inspection upon request of a supervisor or other University official. Staff not in possession of the correct pass will be in violation of this policy.
