At about 4 p.m. today a slender man in his mid-20s wearing a white T-shirt, blue jeans and a gold cap -- and riding a bicycle -- robbed a student of his cell phone in the Fred Cowell Mall near the Calder Library. The student was not injured, but this is a reminder that we must pay attention to our surroundings. Please be alert and report any suspicious activity to Security at 305-243-6000.
